

Lumicera Specialty Drug List

Effective June 2022

The Lumicera Specialty Drug list is a guide to medications distributed through Lumicera Specialty Pharmacy. Our mission is to provide exceptional service and comprehensive care so that our members can live happier, better lives. In fact, our dedication has earned us a 99% patient satisfaction rate. We support our prescribers and members with pre-screening therapy, ongoing support and education, clinical monitoring and refill reminders.

If you have questions regarding specific medications, please contact us at 855.847.3554 (prescribers) or 855.847.3553 (patients).
